Anti Fog Glass

Weicar Anti-Fog Glass Spray is designed to control condensation on glass surfaces caused by temperature fluctuations and ambient humidity. By preventing interior fog formation, this formula helps maintain unobstructed visibility during adverse weather conditions for safer driving. In addition to vehicle maintenance, it enhances optical clarity on domestic and commercial glass surfaces without leaving streaks or haze.

Areas of Use: Interior windshields, side windows, rear windows, and rearview mirrors,bathroom mirrors, shower enclosures, and exterior-facing window panes,retail display glass, helmet visors, and spectacle lenses.

Net Weight	980gr
Gross Weight	1030gr
Volume	1000ml
Package	12pcs
Pallet	1600pcs
Pallet Dim	100x120x215h
Shape	Bottle HDPE
Barcode(EAN)	0700343204072

Directions for Use: Ensure the target glass surface is thoroughly cleaned and free of moisture or dust prior to application. Lightly spray an even layer onto the interior glass surface. Allow the liquid to rest on the surface for 1 minute. Using a clean, dry microfiber cloth, gently buff the surface using circular motions until dry and clear.

Hazard Pictograms:

Storage Conditions: Store in cool and ventilated area. Recommended storage temperature: 15 - 30 °C. Keep out of reach of children.
