De-Icer Spray

Weicar De-Icer Spray quickly dissolves ice and frost formed on vehicle windows and door locks during harsh winter conditions, providing clear and safe visibility. Thanks to its specially developed formula, it leaves no stains or residue and helps delay the re-formation of ice on applied surfaces. It is a practical car care solution that saves time and effort on cold winter days by eliminating the hassle of scraping ice.

Areas of Use: Front and rear windshields, side windows and side mirrors, door locks headlights and taillights, wiper blades and washer nozzles.

Net Weight	980gr
Gross Weight	1030gr
Volume	1000ml
Package	12pcs
Pallet	1600pcs
Pallet Dim	100x120x215h
Shape	Bottle HDPE
Barcode(EAN)	0700343204096

Directions for Use: Scrape off heavy snow layers from the window prior to application. Spray the product evenly over the frosted glass surface. For frozen door locks, spray directly into the lock cylinder from a close range. Allow 2 to 3 minutes for the formula to penetrate and dissolve the ice layer. Wipe away the melted ice using a soft cloth or windshield wiper.

Hazard Pictograms:

Storage Conditions: Store in cool and ventilated area. Recommended storage temperature: 15 - 30 °C. Keep out of reach of children.
