Hand Cleaner Pro 4L

WEICAR Hand Cleaner PRO is a high-performance, environmentally conscious hand cleansing paste engineered specifically to meet the demanding skin-cleansing needs of personnel across automotive repair shops, printing plants, engineering facilities, and heavy manufacturing lines. It lifts and dissolves tenacious soils—including heavy grease, mineral oils, bitumen, tar, printing inks, resins, and adhesives—without compromising skin health.

Areas of Use: Automotive service stations, repair workshops, body shops, and engine maintenance centers Printing works, ink compounding facilities , and packaging plants. Machinery manufacturing, metalworking, construction, and assembly operations. Trades handling mastics, sealants, polyurethanes, varnishes, and industrial glues.

Net Weight	4000gr
Gross Weight	4200gr
Volume	4000ml
Package	4pcs
Pallet	450pcs
Pallet Dim	100x120x215h
Appearance & Physical State	Opaque, homogeneous smooth fluid paste / cream
Barcode(EAN)	0700343203495
pH	5,5
Density (g/cm^3, 20°C)	0.95 – 1.05 g/cm^3
Odor	Characteristic fresh citrus (Lemon & Orange)

Directions for Use: Do not wet hands prior to application. Dispense approximately 3 g (approx. 1 pump/dose) of WEICAR Hand Cleaner PRO onto dry palms. Rub hands and fingers thoroughly for 20–30 seconds until the granules and active agents fully break down all grease, tar, and bound dirt. Rinse off thoroughly with clean warm water, then dry hands completely.

Storage Conditions: Store in original, tightly sealed containers between 5°C and 30°C in a cool, dry area away from direct sunlight. Protect from freezing. Shelf life is 24 months from the production date.

Hazard Pictograms: n/a
